

MARCH 19, 2020

In recent days, the State of Kansas issued a Pandemic Emergency and Miami County issued a local emergency disaster declaration in response to the COVID-19 outbreak. Miami County offices and operations tried to maintain a “business as usual” approach during the timeframe. As the State of Kansas ceases operations, Miami County no longer will receive the necessary support to complete routine transactions. Additionally, in an effort to safeguard employee health and the continuity of Miami County operations, the public will no longer be allowed into county buildings. The building restriction will remain in effect until April 1, 2020 and the Board of County Commissioners will re-evaluate the closure necessity.

Residents are encouraged to utilize online options available at www.miamicountyks.org to complete transactions, make inquiries, etc. Listed below are the telephone numbers for Miami County departments. Staff is available to answer questions.
